CALL FOR PAPERS

D A T E S O 2 0 0 4

4th Workshop on
Databases, Texts, Specifications, and Objects

Desna - Cerna ricka
April 14th to 16th, 2004

Workshop DATESO 2004 is to be held at training and recreation centre placed in Desna - Cerna ricka. The centre is located in eastern part of mountains called Jizerske hory. It is in altitude of 700 metres at the hillside below Sous dam. The nearest towns are Tanvald, which lies 4 kilometres to the south, and Jablonec nad Nisou, which lies 14 kilometres to the west.

DATESO workshop is a meeting of people interested in databases, text processing, specifications, and objects. It is aimed to the theoretical and technical bases of information technologies, approved methods and development trends.

DATESO is also intended as a meeting of PhD students and their supervisors. They all can discuss their new ideas, threads, and other subjects.

This year's DATESO is aimed to the problems of storage and retrieval of structured and semi-structured data.

Important dates:

Submission of abstracts:	January 31, 2004
Submission of papers:	February 6, 2004
Notification of acceptance or rejection:	February 25, 2004
Final camera-ready versions:	March 7, 2004
Workshop:	April 14 to 16, 2004
